IN THE STIX

GLAMPING BUT NOT AS YOU KNOW IT

In The Stix is a hidden outdoor wedding location, set in the heart of stunning Rutland, surrounded by open countryside.

Providing luxury glamping pods for you and your guests over the course of your wedding, means you can get into the festivities the day before: arriving on the Friday to dress your marquee and spending the evenings around our large fire pit eating and celebrating with your closest friends and family.

We want to provide you with as much flexibility as we can to create your own day; whether you choose to say "I do" elsewhere and just party the night away with us or have on outdoor ceremony right here by our babbling brook. You are free to book your own suppliers and make your day as unique as our location!

BESPOKE SUPPLIER OPTIONS

We are more than happy to recommend some incredible local suppliers, but we know you may want to bring in your own team - which is great!

Whether you are looking to have a festival style wedding, a luxurious bohemian party, a relaxed picnic - whatever your style and taste, our site is a blank canvas for your perfect celebration.
